

Elyse Diamond's Focus on Girls

Soccer Camp, now in our eighth year, has been years in the making. The director, a pioneer of girls and women's soccer, is one of the most highly regarded names in the sport. Her attention to detail, commitment to excellence, and pure love of the game over the past **35 years**, have earned her nearly every major honor and distinction as a player and a coach. When she became the first woman inducted into the Mercer County Soccer Hall of Fame, a local sports writer introduced her by saying "Year in and year out, Elyse Diamond repeatedly gets the most that is possible out of her players." Her longtime goal of conceiving an all **girls soccer camp**, administered by a highly professional and experienced **all female staff**, is now a reality.

"Combine Quality and Value for Each Participant" that insures:

- * personalized instruction
- * fundamentals refinement
- * structured skill practice
- * strategy development

These technical, tactical and effective goals are achieved daily through individual skill reinforcement and game play.
