**SLAINTE,**

**Welcome to 25 years of Irish tradition. I am honored and proud to return as Chairman of the committee as we celebrate this historic event. I will also be privileged to serve as the MC of the parade for the 24<sup>th</sup> time. Where did the time go? The committee decided this year to honor all our past Grand Marshals in this year's parade as we welcome them once again to make their way down Hamilton Ave. in honor of a good "auld" Irish St. Patrick's Day Parade. Our first parade theme was "Welcome St. Patrick back to Trenton" and what a great tradition it became. Our lovely Miss St. Patrick Brittany Marie Patten will grace the parade route with her court.**

**To all the participants and spectators welcome to this great event. Enjoy yourselves and have a good Irish time. To my fellow committee members thank you for all your hard work to make this all possible and let us not forget the Parade Marshals who get the parade on the street and to Parade Coordinator Ted Clark a job well done.**

**God Bless all on this "grand "day and God Bless this great country  
The United States of America.**
